I am a motivated junior animation student at Laguna College of Art + Design hungry to get hands-on studio experience in preparation for the industry. My skills shine best in pre-production as I thoroughly enjoy the creative storytelling and problem-solving that comes with storyboarding. I flourish in collaborative environments. I adapt quickly to new programs and tasks as well as make a point to always be organized, efficient, and productive when working on any project.

Experience

TV series Bible Pitch:

Laguna College of Art + Design - Laguna Beach, CA

- Went through the pipeline of creating a bible pitch with a group on an agreed upon concept.
- Researched shows similar in style, story, and audience range to our concept.
- Coordinated sequences according to strengths and thoroughly communicated within the group.

24 Hour Animation Challenge 2025:

Laguna College of Art+ Design - Laguna Beach, CA

- Led my team as we strategized our timeline of stages and distributing duties.
- Reorganized priorities when initially scheduled timeline fell through halfway.
- Troubleshooted teammates program technical difficulties while adapting to an unfamiliar program.

Mother's Market: Juice Bar:

Mother's Market - Laguna Woods, CA

- Work in fast paced environment with time sensitive tasks and little or no supervision.
- Correctly place and make customer's orders to their satisfaction.
- Learn and assist in other departments tasks when needed.

Gallery Assistant: (current)

LCAD Gallery - Laguna Beach, CA

- Categorize and carefully handle artwork for display.
- Maintain cleanliness of gallery and keep inventory organized.
- Supervised gallery during operating hours.

Freelance Work:

- Provided quality work with quick turnaround revisions.
- Collaborated with client to see their clear vision.
- Freelance expertise; storyboards and backgrounds.
